According to the Pentagon, the incident occurred near Manbij, Syria. The bomb targeted the two, killing Lt Christensen. The alleged suicide bomber was driving a Kia Sportage. At the time of the attack, the SUV was carrying an unknown number of passengers. The civilian vehicle was detonated by the blast, killing at least two other people. The Pentagon reported that the incident is under investigation. The Syrian government has not yet commented on the incident. In April, Syrian media reported that at least six US Navy SEALs were killed in a drone strike near Aleppo. The media also reported that about three other US servicemen were injured in the strike.
