
Fallout 4 Heels Mod Fixed

Now that Fallout 4 has a functional system of real heels, I decided to make a conversion of the Arison_C Charming High Heels mod for Skyrim. In Fallout 3, every time you need shoes for your short height, you will have an unnecessary one, and if you buy shoes in Superbook, they will go along with your height. In Skyrim, if you don't have the money to buy shoes from the Store, it will also be a problem for you to wear your transformation. I thought "why pay more when you can do an effect instead"? To change Arison mod in Stable add mod modmods.exe file which is inside Arisin_C_Charming_High_Heels.exe mod file To get Fallout 1 use modmod_Arisin.exe from mod Arison_C. Unfortunately, there is no access to Stable after I checked, so I had to take a random file and use it. I can say that I ended up with the same ModModSrc at the end.
