This article is about the first game in the Counter-Strike series. . Even though it is basic, it is considered to be one of the most revolutionary online games of all. History of game development The idea for Counter-Strike came about in 1999, when two developers from Sweden, Gabe Newell and Mike "Callisto" Feri, came up with the concept for the game in 1992 while at school. At the time, they were working on a game that would be similar to Pong, but in the future.
