
The Second World War Antony Beevor Pdf Download !EXCLUSIVE!

Edited and translated from Russian by Anthony Beevor and Luba Vinogradova. n Knopf Canada is proud to present a World War II masterpiece. .### A readable study of the causes, course and consequences of World War II. This work is mainly devoted to the study of the prerequisites and consequences of the war for the states of Europe (except for the Baltic states and Poland). This work deals with the issues of military occupations, which are understood as the actual military operations carried out from 1815 to 1918 and interventions. The study was built taking into account several principles: The main objects of research are the political regimes that existed in Europe from the end of the 18th century to the middle of the 20th century; The main attention is paid to the influence of modern processes of globalization on the current situation and the study of the role played by radical ideas, as well as the organization of new revolutions; The analysis of the war is considered as a global process, covering all stages of the war: before the start of events and after their completion; The problem of political regimes occupies an important place in the study of war. All considered regimes are considered as developing, and then also as crisis ones. In the process of working on my dissertation, I studied the following sources: B. S. Woodward's Study of War: An Autobiography / Per. from English. L. A. Petrova. M.: Olimp, 2001. "Turn to Asia" in the policy of England in 1839: 1783-1903: Monograph / V. Arizgano, S. Andrews. Novosibirsk, TsGASU, 2005. Dodd, J., Rosenberg R. The Politics of Nations and Nationalism. M., 1985. Arizgino V. S., Andrews S. B. The English Empire after the First World War: Power and Society. Tomsk. Publishing house of NGU, 1993. Likhachev D.S., Nazarov A.A., Mironov M.V. History of wars. M.: Ed. house GUGK, 1994. Tukhachevsky M. N. Selected works. T. 1, M., 1963. Erenee A. M. "Victory in World War II. Battle for Europe" / Ed. ed. K. E. Sivkov. Mn.: New knowledge, 1994 "Great Patriotic War 1941-1945" ed. Brzezinski, Williamson, Muller, Gorbachevsev and others.
