
Om Shanti Om 2007 Hindi 720P BRRip X264 E SuB 27

In the 1970s, Om, an aspiring actor, was murdered but immediately reincarnated... He tries to solve the mystery of his death and find Shanti, . but immediately finds himself in a madhouse where he has to not only re-learn how to talk, but also learn to walk, swim and so on... The movie is based on the book of the same name, a novel by David Lindell. I read the novel and watched the movie and was surprisingly disappointed, I expected the movie to be much better and deeper, and it turned out to be nothing about the movie. I think this movie will be interesting for those who like 'reincarnation' movies or just like to watch movies of this genre.
