This is how the rest of the world sees American television I guess. Not enough protest from the rest of the world. This is so ridiculous. Now the shows that won't be.Not a show, but a battle between two characters. Premise The U.S. Army recruits an army of mechas called Foot Soldiers. These robots, often piloted by dummy soldiers, are a highly advanced robotic force that have an almost perfect performance record. Their growing number, coupled with their human-like appearance and failure to interject during the battle on the moon, causes soldiers to fear them. Story As the story goes, the U.S. Army recruits a pair of trainees, the protagonist of the story Isekai and the antagonist of the story Isotta. The protagonist
