## **Fifa 22 Features Key:**

- Create the most powerful franchise - Every club in FIFA 22 has been rebuilt to deliver new attacking options and improved defending, while new player types like box-to-box passers, crafty wingers and silky finishers add variety and unpredictability to play.
- Defend like a pro - Improved AI makes Premier League defenders more intelligent with new reactions, improved positioning, and improved take-ons to quicken up the pace of the game. Exclusively in FIFA 22, using advanced AI technology, defenders react to players and players adapt to defenders better in one on one situations.
- Increase your players' abilities - Sharpen your skills in FIFA 22 with multiple game mechanics to improve player movement, dribbling, shooting, and ball control.
- Ups your game - Flip the ball on the wing, slalom past your marker, and defy gravity with new tricks in aerial duels. Maraud and hold up the ball against double and even triple teams to get in and take the shot.
- Move, decide, shoot - With all new animations, fluid reactive running, more precise animations for headers, and fully interactive ball contact management, FIFA 22 is able to replicate goal celebrations, goals, and even a player's brain when it comes to shots, saves and shots heading for the back of the net.
- Software TOU and ethical code

## **Specifications:**

- Interface Layout: 17:9 ratio for more immersive gameplay experience

- 
- Bright and beautiful new graphics for next generation FIFA
