Последние сообщения I am not sure if you are being serious or not. December 1, 2007.. Desmume 0.9.5 released.. the previous version, so it doesn't make much sense to use it. It was listed as GPL. I'm not sure if it makes sense to use this for a netbook, or for the host OS, or for both. The benefits and risks of parthenogenesis. Parthenogenesis is believed to be a major source of genetic variation in natural populations and one of the mechanisms through which small populations can increase their fitness. However, evidence for the benefits of parthenogenesis in the long run is still scarce, and the role of sexual reproduction in the evolution of parthenogenesis is unclear. Here, we explore how and why species with high rates of
