A: You can send it to your e-mail, and you should receive it by you within minutes or even seconds.

First time i have to say, thanks to your help. Later anout 2 days i searched and found nice tool : WebmailGIMP Registration of Domain Code to your email. Now i'm downloading from gmail.com and it's very fast. And thanks to you for your answer. Q: Is the Android Training on my phone unreadable? I have the newest version of the Android SDK: Android SDK Tools, Platforms, and Platform-tools (30.0.1); API 16 When I view my android-training.apk file, it's completely unreadable. I'm sure there are a bunch of other questions relating to this, but I can't find any solid ones. Anyone have any advice? A: I found a solution by just trying a bunch of different things. Turned out that in the developer console, if you hit the "Download" button for the.apk, the.apk was being opened and then closed. I just had to open it manually and save it from there. Q: How to pass a value on multi selector on JQuery? I have a multi selector, and I'm trying to pass a value on click on it. JSFiddle: HTML Thumbs JQuery `$(document).ready(function() { $('thumb1').click(function(){ $(this).addClass('thumb1-click'); $('thumb2`
